

United States District Court
Western District of Texas
Austin Division

United States of America,
Plaintiff,

v.

GEORGE LEWIS ESCAMILLA, SR.,
Defendant.

Cause No. 1:08-CR-337-LY-1

**United States' Unopposed Motion to Extend Time to Respond to
Motion for Compassionate Release**

The United States respectfully moves this Court for a one week extension, until May13, 2020, to respond to Mr. Escamilla's pending motion for compassionate release filed on April 24, 2020. Counsel for Mr. Escamilla does not oppose this motion.

On April 24, 2020, Mr. Escamilla filed a motion for compassionate release requesting time served or home confinement due to the COVID-19 pandemic. Mr. Escamilla based his request on his medical condition, specifically, he is 67 years old and suffers from diabetes, high blood pressure, and anemia. He is a double amputee and wheel-chair bound. He is serving his sentence at FCI Oakdale, one of the Bureau of Prisons facilities impacted by the COVID-19 pandemic.

The United States received yesterday a declaration regarding Mr. Escamilla's request for relief under the CARE Act. Mr. Escamilla is currently hospitalized in an intensive care unit suffering from COVID-19. The United States is awaiting additional information regarding Mr. Escamilla's current medical condition, and the status of any requests for administrative remedies, before proceeding.

Therefore, the United States requests a one week extension of the United States' time to respond, until May 13, 2020, at which time the United States will respond to Mr. Escamilla's current motion for compassionate release. If the United States can respond sooner, it will do so.

Respectfully submitted,

John F. Bash
United States Attorney
